SHHS Home and School Association is a fully volunteer, non-profit group of parents that operates to support students, teachers, and fellow parents/guardians at the High School. If you
have a student at Strath Haven YOU ARE A MEMBER of Home and School! Although our primary mission is to fund student and teacher requests for equipment and supplies, we also help keep parents informed by hosting monthly meetings in the school library as well as producing a weekly newsletter every Monday. The eblast provides news and events that relate to the whole school and also details activities sponsored by the Classes of 2020, 2021, 2022, and 2023. It’s a place where parents, students, and teachers can post information about performances, games, or fundraising events relating to SHHS. Check out the H&S website www.SHHSHSA.org; please don’t hesitate to reach out to anyone of the H&S school board if you have any questions!
