Subject: Here we go, Strath Haven families!
Date: Monday, September 2, 2019 2:08:42 PM

Welcome back, Strath Haven High School families! We hope you and your child(ren) had a fun filled, relaxing summer. Let's get this school year started!

First, just a reminder about who we are and why you are getting this email: SHHS Home & School Association is a fully volunteer, non-profit group of parents that operates to support students, teachers, and fellow parents/guardians at the High School. If you have a student at Strath Haven YOU ARE A MEMBER of Home & School! Although our primary mission is to fund student and teacher requests for equipment and supplies, we also help keep parents informed by hosting monthly meetings in the school library as well as producing a weekly newsletter every Monday. The eblast provides news and events that relate to the whole school and also details activities sponsored by the Classes of 2020, 2021, 2022, and 2023. It's a place where parents, students, and teachers can post information about performances, games, or fundraising events relating to SHHS. Check out the H&S website www.SHHSHSA.org; please don't hesitate to reach out to anyone of the H&S school board if you have any questions!

GENERAL NEWS AND EVENTS

Back to School Night is this Thursday, September 5th! Please arrive prepared to purchase a Student Directory; they are for sale for \$12.00 or 2 for \$20.00. We accept cash or check (payable to SHHS HSA). As a reminder, **this is the Home and School Association's ONLY fundraiser**, so please buy one or two so that we can use the money to fund deserving projects submitted by teachers and students at the High School.

Please also remember that you can donate to the Home and School Association whenever the mood strikes you, and as often as you want: just mail or drop off a check to our treasurer using this Direct Donation form (click [here](#) for copy). Donations are 100% tax deductible and 100% appreciated!

Mark your calendar for next week: Thursday, September 12th at 6pm. Home and School will have our first meeting in the school library (2nd floor). Dr. Brown will give the yearly "State of the High School" address – staff goals, staff changes, recent test score results, and other

current issues at the school. The H&S community meeting portion will occur immediately following Dr. Brown's presentation. The agenda includes the proposed H&S Association 2019-2020 budget, class rep reports, and new business.

New parents and returning parents are invited to come earlier at 5:30 pm for cookies and socializing. Meetings last approximately 1 hour. Please come! We will also have directories available for purchase.

CLASS of 2020

Welcome back Class of 2020 – Seniors!!
