Did you miss February’s meeting? Click here for a link to the minutes and presentation by Interim Principal Andrea LaPira. Our next monthly meeting is Thursday, March 12 at 6pm in the school library. Kristin Dunning, Guidance Department Chair, will be our guest speaker.

Did you know your money is purchasing equipment for the school science labs and volleyball as part of this year’s wish list? We appreciate your partnership in supporting our high school! Donations to the SHHS Home and School Association are tax deductible! Mail or drop off a check to our treasurer using this Direct Donation form (click here).

Student Directories are still for sale in the 3rd floor office. $12.00 or 2 for $20.00-cash or check (payable to SHHS HSA). As a reminder, this is the Home and School Association’s ONLY fundraiser, so please buy one or two so that we can use the money to fund deserving projects submitted by teachers and students at the High School. Please check out and support the local patrons who support our directory through ad purchases.

SHHS Home and School Association is a fully volunteer, non-profit group of parents that operates to support students, teachers, and fellow parents/guardians at the High School. If you have a student at Strath Haven YOU ARE A MEMBER of Home and School! Although our primary mission is to fund student and teacher requests for equipment and supplies, we also help keep parents informed by hosting monthly meetings in the school library as well as producing a weekly newsletter every Monday. The eblast provides news and events that relate to the whole school and also details activities sponsored by the Classes of 2020, 2021, 2022, and 2023. It’s a place where parents, students, and teachers can post information about performances, games, or fundraising events relating to SHHS. Check out the H&S website www.SHHSHSA.org; please don’t hesitate to reach out to anyone of the H&S school board if you have any questions!
